K-5 Curriculum Training – Summer 2026

Curriculum Training gives teachers the strategies and hands-on experience to confidently teach Cereal City Science units in their classrooms. Through hands-on investigations and engaging activities, educators experience first-hand what it looks like when students think, question, and discover like scientists. Whether you're a teacher or an administrator, Curriculum Training is your foundation for success.

Dates: June 15 – August 13 (see back for specific session dates)

Time: 8:30 AM to 3:00 PM

Pricing:

K-5: \$120/person (one day)

What you'll need:

Teacher Guide - Don't have one? Download our Quick Order Form at cerealcityscience.org/purchasing and email the completed form along with a district purchase order to suzan@bcamsc.org.

Laptop - These sessions are virtual. We'll use the CCS Online Component plus explore free tools like SageModeler and ArcGIS where applicable.

SCECH Credits (State Continuing Education Clock Hours) are available.

Deadline to register is one week prior to the scheduled session start date.

Cancellation Policy - Cancellations must be made at least 7 days prior to the training start date. No-shows will be charged the full rate. Cereal City Science reserves the right to cancel any Curriculum Training due to low enrollment or other unforeseen circumstances.
